Dedication

Wayne Gallagher

The Board of Selectmen, on behalf of the Town and all our citizens dedicate this 2011 Annual Report to Wayne Gallagher.

Wayne was hired in October 2001 as the Chief of Police. He moved to town with his wife Denise and became an asset to our community.

Wayne has been very involved in our schools. As Chief he teaches the DARE class and as a citizen he coaches baseball. Wayne is a member of the Lions Club.

Wayne is retiring this year. We thank him for his many years of dedicated service.

IN MEMORIAM

"The goal isn't to live forever.....the goal is to create something that will." Unknown

Each of these individuals has left a mark on the history of Hinsdale. Each will be fondly remembered for all they have contributed to our community.

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
TOWN WARRANT**

To the inhabitants of the Town of Hinsdale qualified to vote in Town affairs:

You are hereby notified to meet at the Hinsdale Community Center on Tuesday the 13th day of March, 2012 at 10:00 o'clock in the forenoon to act on the following subjects:

Article 1. To cast your ballot for all necessary Town Officers.

Article 2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Hinsdale Zoning Ordinance as follows: to amend Article III, Definitions, to include definitions for Private and Commercial Dog Kennels.

- Recommended by Planning Board

Article 3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Hinsdale Zoning Ordinance as follows: to amend Article VII, Special Regulations, Signs, to update overall ordinance.

- Recommended by Planning Board

Article 4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Hinsdale Zoning Ordinance as follows: to amend Article VII, Special Regulations, Private Campsites and Construction Trailer/Offices, to specify district allowed.

- Recommended by Planning Board

Article 5. Shall we adopt provisions of RSA 40:13 (known as SB-2) to allow official ballot voting on all issues before the local political division on the second Tuesday of May?

- Inserted by Petition

The following part of the Town Meeting shall be adjourned until Saturday, March 17, 2012 at 10:00 o'clock in the forenoon in the gymnasium of the Hinsdale High School.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$3,367,287.00 (Three million, three hundred sixty-seven thousand, two hundred eighty-seven dollars) for the general operating expenses of the Town, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 7. To see if the Town will vote to raise and appropriate the sum of \$455,620.00 (Four hundred fifty-five thousand, six hundred twenty dollars) for the operations of the Water Department, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 3 - 1
- Recommended by Budget Committee, 7 - 2

Article 8. To see if the Town will vote to raise and appropriate the sum of \$332,768.00 (Three hundred thirty-two thousand, seven hundred sixty-eight dollars) for the operations of the Sewer Treatment Plant, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 9. To see if the town will vote to raise and appropriate the sum of \$50,000.00 (Fifty thousand dollars) to be added to the New Police Station Fund previously established, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 10. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 (Twenty-five thousand dollars) to be added to the Fire Apparatus Fund previously established, or act in any manner thereon. (Majority vote required).

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
TOWN WARRANT**

- Recommended by Selectmen, 4 - 0
- Recommended by Budget Committee, 7 - 0

Article 11. To see if the town will vote to raise and appropriate the sum of \$25,000.00 (Twenty-five thousand dollars) to be added to the Monument Road Reconstruction Fund previously established, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 12. To see if the town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Highway Capital Equipment Fund, for the purpose of purchasing highway equipment when replacing existing highway equipment, to raise and appropriate the sum of \$25,000.00 (twenty-five thousand dollars) for this fund, and appoint the selectmen as agents to expend from the fund, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 13. To see if the town will vote to raise and appropriate the sum of \$19,150.00 (Nineteen thousand, one hundred fifty dollars) for the purpose of adding to the Fire Department Personal Protective Equipment Fund for the purpose of purchasing personal protective equipment for the fire department, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 14. To see if the town will vote to raise and appropriate \$16,000.00 (Sixteen thousand dollars) for the purpose of adding to the Fire Department Breathing Apparatus (SCBA) Fund for the purpose of purchasing personal protective equipment for the fire department, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 15. To see if the Town will vote to raise and appropriate the sum of \$15,500.00 (Fifteen thousand five hundred dollars) for the purpose of a transit service from Brattleboro to Hinsdale along the Route 119 Corridor to be funded from the year-end undesignated balance available on June 30, 2012, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 16. To see if the town will vote to raise and appropriate the sum of \$10,000.00 (Ten thousand dollars) to be added to the Backhoe Expendable Trust previously established of which \$5,000.00 will be raised through tax funds and \$5,000 will be raised through water user fees, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 17. To see if the town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to be added to the Community Center Building Improvement Fund previously established. This sum is to come from the year-end undesignated balance available on June 30, 2012, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 - 0
- Recommended by Budget Committee, 9 - 0

Article 18. To see if the town will vote to raise and appropriate the sum of \$1,939.00 (One thousand, nine hundred thirty-nine dollars) to support of the American Red Cross, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 3 - 2
- Recommended by Budget Committee, 5 - 3

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
TOWN WARRANT**

Article 19. To see if the town will vote to raise and appropriate the sum of \$1,000.00 (One thousand dollars) to support the Monadnock Region Child Advocacy Center, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 3 - 2
- Recommended by Budget Committee, 6 - 2

Article 20. To see if the municipality will vote to appoint the Selectmen as agents to expend from the Fire Apparatus Fund previously established in 1993, or act in any manner thereon. (Majority vote required).

Article 21. To see if the municipality will vote to appoint the Selectmen as agents to expend from the Monument Road Reconstruction Fund previously established in 2009, or act in any manner thereon. (Majority vote required).

Article 22. To see if the municipality will vote to appoint the Selectmen as agents to expend from the New Police Station Fund previously established in 2011, or act in any manner thereon. (Majority vote required).

Article 23. Are you in favor of changing the office of Tax Collector from one of election to one of appointment with the office becoming an appointive office at the close of the business session of the Annual Meeting of the Town in 2013, in accordance with RSA 669:17b?

Article 24. Shall the town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year? (Majority vote required).

Article 25. Shall we eliminate the current wording of the Elderly Exemption for property taxes in Hinsdale which requires a limitation on assets and replace it with wording which automatically gives a 3% discount off the property tax for any property owner 65 or older, who lives in their residence as of April 1 of each year, and has been a resident of New Hampshire for at least 3 consecutive years before initial request of a property tax exemption.

- Inserted by Petition

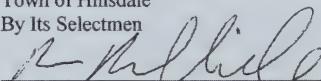

Article 26. To see if the Town will vote to accept and adopt the reports of the Selectmen, Auditors, and other Town Officers.

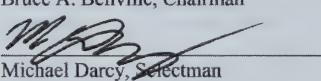

Article 27. To transact any other business that may legally come before this meeting.

Given under hand and seal in said Hinsdale this ____ day of February 2012.

CIP IS SUBJECT TO TOWN MEETING APPROVAL OF CAPITAL PURCHASES

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
2011 TOWN REPORT**

To the inhabitants of the Town of Hinsdale qualified to vote in Town affairs:

You are hereby notified to meet at the Hinsdale Community Center on Tuesday the 8th day of March, 2011 at 10:00 o'clock in the forenoon to act on the following subjects:

Article 1. To cast your ballot for all necessary Town Officers.

**Supervisors Checklist total 2,677
640 Ballots cast
23.9 % Turnout**

SELECTMAN 2 for 3 years: Jerome "Jay" Ebbighausen Jr. received 292 votes - Declared elected
Michael "Mike" Darcy received 270 votes - Declared elected
Morris "Mo" Klein received 235 votes
Christopher Roberts received 204 votes
James P. Mitchell received 120 votes
Kenneth "Ken" Rooney received 40 votes

TOWN TREASURER 1 year: Alan D. Zavorotny received 567 votes - Declared elected

TAX COLLECTOR 1 year: Richard E. Shaw, Sr. received 561 votes - Declared elected

FIRE CHIEF 1 year: Robert J. Johnson received 582 votes - Declared elected

TRUSTEE OF TRUST FUNDS 1 for 3 years: Karen L. Johnson received 573 votes – Declared elected

LIBRARY TRUSTEE 2 for 3 years: Karen L. Johnson received 554 votes - Declared elected
Theodora "Teddi" Pease received 476 votes - Declared elected

BOARD OF ADJUSTMENT 2 for 3 years: Dorianne Almann received 488 votes - Declared elected
Lewis Major received 497 votes - Declared elected

BUDGET COMMITTEE 3 for 3 years: Bernard E. Rideout Jr. received 522 votes - Declared elected
Richard E. Shaw Sr. received 506 votes – Declared elected
Morris "Mo" Klein received 489 - Declared elected

PLANNING BOARD 2 for 3 years: Dwight Smith received 505 votes - Declared elected
Dorianne Almann received 499 votes- Declared elected

Article 2. Shall we adopt provisions of RSA 40:13 (known as SB-2) to allow official ballot voting on all issues before the local political division on the second Tuesday of March?

- Inserted by Petition

The article FAILED with 344 YES votes to 279 NO votes

The article failed due to not receiving the required 3/5ths amount due in order to pass.

Article 3. Are you in favor of amending Hinsdale Zoning Ordinance, Article VII, Open Space Requirements, to decrease the lot size in the rural agricultural district from two (2) acres to one (1) acre, and decrease the frontage requirements from two hundred feet (200') to one hundred fifty feet (150'), and increase the maximum building coverage from 10% to 20%.

- Inserted by Petition
- Not Recommended by Planning Board

The article FAILED with 185 YES votes to 429 NO votes

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
2011 TOWN REPORT**

The following part of the Town Meeting shall be adjourned until Saturday, March 12, 2011 at 9:00 o'clock in the forenoon in the auditorium of the Hinsdale Town Hall.

The moderator, Richard S. Johnson Jr., called the meeting to order at 9:10 am. in the auditorium of the Town Hall. Boy Scout Troop 307 led us with the presentation of the colors and the Pledge of Allegiance.

Selectmen Jay Ebbighausen had a few thank you awards he wished to hand out – he first wished to thank with a plaque for his 25 years on the Fire Department was Dan Seymour. He then thanked Kathy Stephens for all her years of service as a selectman in the town with a plaque. Jay then read the dedication of the Town Report to Richard Shaw Sr.

A motion to dispense with the reading of the Town Warrant Articles in full, instead to having each one read as it came up. Motion was seconded. There was no discussion and the question was called. By voice vote it was declared to be in the affirmative, thus waving the reading of the Warrant in full.

Article 4. To see if the Town will vote to raise and appropriate the sum of \$4,844,391.00 (Four million, eight hundred forty-four thousand, three hundred ninety-one dollars) for the general operating expenses of the Town for an eighteen month budget running from January 1, 2011 through June 30, 2012 to fund the optional fiscal year adopted in March of 2010, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 3 to 0
- Recommended by Budget Committee, 8 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. A question was asked why only 3 selectmen voted – response was that only three were there they night of vote but it was a quorum – all had been present for discussions on article. A motion was made to move the question.

By voice vote the article as originally written was declared in the affirmative.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$717,512.00 (Seven hundred seventeen thousand, five hundred twelve dollars) for the operations of the Water Department for an eighteen month budget running from January 1, 2011 through June 30, 2012 to fund the optional fiscal year adopted in March of 2010, the funds to be raised by user fees, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 3 to 0
- Recommended by Budget Committee, 8 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared in the affirmative.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$483,672.00 (Four hundred eighty-three thousand, six hundred seventy-two dollars) for the operations of the Sewer Treatment Plant for an eighteen month budget running from January 1, 2011 through June 30, 2012 to fund the optional fiscal year adopted in March of 2010, the funds to be raised by user fees, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 3 to 0
- Recommended by Budget Committee, 8 to 0

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
2011 TOWN REPORT**

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared in the affirmative.

Article 7. To see if the town will vote to raise and appropriate up to \$50,000.00 (Fifty thousand dollars) for the purpose of replacing sidewalk and rails along Brattleboro Road in the vicinity of Plain Road, or act in any manner thereon of which \$50,000.00 (Fifty thousand dollars) will be raised by the Capital Reserve Fund established for sidewalk improvement and to authorize the receipt and expenditure of federal/state grants that may become available for said purpose. (Majority vote required).

- Recommended by Selectmen, 5 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Selectmen John Smith spoke indicating that the fund already has \$164,000 in it. A question was asked as to how many people even use it and Chief Gallagher said that about 40 school children use it as well as others. A question was asked if the town would be doing the work and it was explained that the town was going to try. A motion was made to move the question. The moderator explained that the vote would be by paper ballot because he had received a petition with the required amount of signatures on it. Someone requested that the names of the people having signed the petition be read aloud - so the moderator read the names – the question was asked if those people were here and the people who had signed the petition were required to acknowledge that they were in the audience.

By paper ballot the article as originally written was declared to have PASSED with 102 YES votes and 9 NO votes.

Article 8. To see if the town will vote to raise and appropriate the sum of \$50,000.00 (Fifty thousand dollars) for the purpose of adding to the existing Capital Reserve Fund for the final design and reconstruction of Monument Road, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. It was indicated that the fund already had \$50,000 put in it last year. A motion was made to move the question. The moderator explained that the vote would be by paper ballot because he had received a petition with the required amount of signatures on it. Someone requested that the names of the people having signed the petition be read aloud - so the moderator read the names – the question was asked if those people were here and the people who had signed the petition were required to acknowledge that they were still in the audience.

By paper ballot the article as originally written was declared to have PASSED with 97 YES votes and 19 NO votes.

Article 9. To see if the town will vote to raise and appropriate the sum of \$38,000.00 (Thirty-eight thousand dollars) for the purpose of purchasing a new Ford Expedition Police Package for the police department, or act in any manner thereon.

- Recommended by Selectmen, 3 to 1
- Recommended by Budget Committee, 4 to 3

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Kathy Stephens spoke in favor of the article because the town has spent lots of money on repairs and it is good to have the vehicles on a schedule of replacement in stead of them needing to be done all at once. The Chief said that this is the first responder vehicle that has the deliberators in it and it needs to be a dependable vehicle. Budget member Angela Schill spoke indicating that she had found out that these vehicles are

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
2011 TOWN REPORT**

good for 2 to 3 hundred thousand miles and that the hours on the engine does not play that big a part in its life expectancy. To spend \$1,600 to repair it is better than cost to replace it. It was brought up that this vehicle cost the town about \$5,000 a year to own. A motion was made to move the question. The moderator explained that the vote would be by paper ballot because he had received a petition with the required amount of signatures on it. Someone requested that the names of the people having signed the petition be read aloud - so the moderator said it was the same people - the question was asked if those people were here and the people who had signed the petition were required to acknowledge that they were still in the audience.

By paper ballot the article as originally written was declared to have PASSED with 90 YES votes and 34 NO votes.

Article 10.

To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of constructing a new Police Station and to raise and appropriate the sum of \$25,000.00 (Twenty-five thousand dollars) to be placed in this fund, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 4 to 1
- Recommended by Budget Committee, 6 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. There was lots of discussion about the bad shape the building is in as well as how the building was only originally going to be temporary but they are still using it. This article allows money to be spent on looking into fixing or replacing it. The selectmen explained that this is a fund to start developing a plan, that the selectmen are still seeking input into what the town people would like to do - replace or repair. A motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 11.

To see if the town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fire Department Personal Protective Equipment Fund, for the purpose of purchasing personal protective equipment for the fire department and to raise and appropriate the sum of \$19,500.00 (Nineteen thousand, five hundred dollars), or act in any manner thereon; and to see if the town will vote to appoint the Board of Selectmen as agents to expend from the Fire Department Personal Protective Equipment Fund. (Majority vote required).

- Recommended by Selectmen, 3 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 12.

To see if the town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fire Department Breathing Apparatus (SCBA) Fund, for the purpose of purchasing personal protective equipment for the fire department and to raise and appropriate the sum of \$16,000.00 (Sixteen thousand dollars), or act in any manner thereon; and to see if the town will vote to appoint the Board of Selectmen as agents to expend from the Fire Department Breathing Apparatus (SCBA) Fund. (Majority vote required).

- Recommended by Selectmen, 3 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 13.

To see if the Town will vote to raise and appropriate the sum of \$15,500.00 (Fifteen thousand five hundred dollars) for the purpose of a transit service from Brattleboro to Hinsdale along the Route 119

**THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
2011 TOWN REPORT**

Corridor, or act in any manner thereon. The total funds to be contributed to this project is \$61,000 of which \$30,000 will be grant applied for and administered through Southwest Region Planning Commission; \$15,500 raised by the Town of Hinsdale; and \$15,500 to be raised by the Town of Winchester. The passing of this article is subject to a grant and funding by Winchester, no expenditure shall be made if the grant funds and funds through Winchester are not available. (Majority vote required).

- Recommended by Selectmen, 5 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 14.

To see if the town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Backhoe Expendable Trust, for the purpose of purchasing a new backhoe to be used by the Water Department and the Highway Department and to raise and appropriate the sum of \$10,000.00 (Ten thousand dollars), of which \$5,000.00 will be raised through tax funds and \$5,000 will be raised through water user fees, or act in any manner thereon; and to see if the town will vote to appoint the Board of Selectmen as agents to expend from the Backhoe Expendable Trust Fund. (Majority vote required).

- Recommended by Selectmen, 5 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 15.

To see if the town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) for the purpose of adding to the existing Community Center Building Improvement Fund to be funded from the year-end undesignated balance available on December 31, 2010, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 5 to 0
- Recommended by Budget Committee, 7 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 16.

To see if the town will vote to raise and appropriate the sum of \$2,808.00 (Two thousand, eight hundred eight dollars) for the purpose of hiring one data entry person for one year to be employed at the library, or act in any manner thereon. (Majority vote required).

- Recommended by Selectmen, 4 to 0
- Recommended by Budget Committee, 5 to 0

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Selectmen Jay Ebbighausen explained to people that at town meeting last year we approved the \$15,000.00 for the computer system but that the grant we received did not allow money to be used for salary to do the entry into the computer system. A motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE
2011 TOWN REPORT

Article 17. To see if the Town will vote to accept and adopt the reports of the Selectmen, Auditors, and other Town Officers.

The moderator read the article in full and there was a motion made and seconded to accept the article as written. This article is open for discussion. Having none a motion was made to move the question.

By voice vote the article as originally written was declared to have PASSED.

Article 18. To transact any other business that may legally come before this meeting.

FROM THE DESK OF THE BOARD OF SELECTMEN

The mission of the annual town report is for selectmen, town departments, town committees, and agency organizations to prepare reports for the town's residents, taxpayers and historical archives. This report summarizes events, activities, and projects undertaken during the past year and sets the framework for the future. We hope that the information contained in this year's annual report provides the information necessary to assist the town meeting decision-making process as well as a resource to citizens in the upcoming year.

This past year, the town continued our effort to improve its infrastructure not only for the town's current residents, but for Hinsdale's future growth. In order to continue improving the sewer main, a study is being conducted on the upper village system. We are hoping to identify deficiencies for future corrective action. The Well #2 project is underway and should be completed this spring.

The Town was able to obtain a grant from the U.S. Department of Agriculture for the new cruiser voted in this past March in the amount of \$10,400.

The Selectmen have been active in investigating a new police station. The Selectmen met with the budget committee to look at several sites – the current site on River Road; a site on Route 119 in the vicinity of the old pool; the Boy Scout Park on Route 119; and the River Park by the Community Center. A building team has been established as a subcommittee for the Selectmen to look at design; cost; location; along with other items. We are in hopes of contracting for a final design in 2012 – 2013.

We continue updating policies and procedures to help our town run more efficiently. Postings for public hearing regarding changes and procedures can be reviewed at the Town Hall and T-Bird Mini Mart. We also advertise in a local newspaper – the Keene Sentinel.

The Selectmen are aware of the economic conditions facing the residents of Hinsdale. Town Employees continue to serve the residents as efficiently as possible and continue to look for other sources for funding besides property taxes to fund the town's needs.

The 2011 Town Report covers 12 months of the 18 month budget adopted in March. Our audit will be performed at the end of the 18 month period.

Successful local government requires the participation of residents and voters. We urge voters to take part in voting on March 13, 2012 and attend Town Meeting on March 17, 2012. This year the business meeting will be held at the high school gym. We are trying something new this year and are holding the School Meeting and Town Meeting on the same Saturday. The School meeting will begin at 9:00 a.m. and the Town Meeting at 10:00 a.m. We hope to see you there and remember to bring your town report.

The input and participation of our citizens is essential to Selectmen, town departments, and committees if our town is to continue to be an exceptional community in which to live.

Respectfully Submitted,
The Hinsdale Board of Selectmen

Town of Hinsdale
Office of the Building Inspector
POB 13
Hinsdale, NH 03451-0013
603-336-5702

Building Inspector's Annual Report
For Year 2011

There were 97 permits issued in the year 2011:

1. Pre-Manufactured Homes	9
2. Stick Built Homes	1
3. Change of use	2
4. Modular Homes	1
5. Garages	6
6. Sheds	3
7. Decks	9
8. Residential Remodel	34
9. Commercial Remodeling	4
10. Heating Units	2
11. Pools	1
12. Demolition	8
13. Foundations	2
14. Signs	7
15. Commercial Buildings	1
16. Plumbing	1
17. Private Campsite	1
18. Carports	2
19. Electrical	3

The Building Inspector's Office responded to 29 Complaints.

The Town welcomes the expansion of Wal-Mart to its new location on Route 119. There has been some new business in town – TNT Fireworks; and Raynette's Diner & Coffee Shop. The Building Inspector's Office is looking forward to 2012 to have more commercial endeavor to help the town economy.

As Inspector, I want to thank all of the people for their cooperation,

Rodney Lawrence,
Code Enforcement Officer
Building, Fire, Zoning and Health

**TOWN OF HINSDALE
COMMUNITY DEVELOPMENT OFFICE
603-336-5727 ext. 17**

Many changes have happened to the Community Development Office. First its location is now downstairs and the office is shared with the Building Inspector. This was done to aide in one stop shopping for residents and to make the offices more efficient for the public. The town also changed to quarterly tax bill versus semi-annual and we funded an eighteen month budget. We made it! Many residents have enjoyed the change to quarterly tax billing! If you have any questions about quarterly billing never hesitate to call and ask questions 336-5727 ext. 17.

As of May of 2012 we will have new maps from Cartographic Associates Inc. These maps will be easier for the public to navigate. In August of 2012 we will offer on the town's website, www.town.hinsdale.nh.us, property cards and tax maps of all parcels in the Town of Hinsdale. Cartographic uses Bing GIS mapping system. The public will be able to look at parcels, measure borders as well as look up key areas of town like rivers, ponds, town buildings and other areas of interest.

Vision Governmental Solutions assesses 25% of the town yearly, this is called cyclical review. The full reval is preformed on the fifth year, which will be this year 2012. Assessors from Vision will be measuring and performing interior inspections of all homes throughout Hinsdale to ensure that all the properties in town are equally valued.

With many applicants applying for area variances from the Zoning Board a sub-committee was formed. The sub-committee has been updating the sign ordinance to make it more user friendly for the residents in town. The sub-committee also worked on Private Camper/Construction Trailer Ordinance and the towns Animal Control Ordinance to include kennels. There will be three Warrant Articles to be voted on March 13th:

Amendment #1: Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Hinsdale Zoning Ordinance as follows: to amend Article III, Definitions, to include definitions for Private and Commercial Dog Kennels.

Amendment #2: Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Hinsdale Zoning Ordinance as follows: to amend Article VII, Special Regulations, Signs, to update overall ordinance.

Amendment #3: Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Hinsdale Zoning Ordinance as follows: to amend Article VII, Special Regulations, Private Campsites and Construction Trailer/Offices, to specify district allowed.

Wal-Mart is up and running and enjoyed by many in Town! Another business that finalized construction this year was TNT Fireworks. We have had a few new businesses come to town and would love to have more!

Property records are available to the public in this office during normal business hours Monday-Thursday, 7:30 am – 12:00 and 12:30 – 4:00 pm, and on the web at www.visionappraisal.com. Ordinances, Regulations, Board minutes, forms available in this office, and convenient links, are all on the Town website located at www.town.hinsdale.nh.us.

As always, the work of volunteer board members is greatly appreciated. If you are interested in a position as an Alternate Member of either the Planning or Zoning Boards, please call 336-5727 ext 17, go online to www.town.hinsdale.nh.us or ask at Town Hall for an application.

Thank you to employees and residents who have been so supportive and helpful this past year.

Kathryn Lynch,
Community Development Coordinator

**Town of Hinsdale
Highway Department Report
2011**

2011 Started off with plenty of snow in January and February. The winter season kept us busy with plowing, sanding and winter maintenance on our equipment, along with snow removal in certain sections of the town after the snow storms.

Spring seemed to come upon us quickly and we started our spring clean up, which consisted of sweeping town roads, sidewalks and parking lots. We also did some minor work on the dirt roads until we could get to grading them a little later in the year, along with servicing all of our equipment used in the winter and getting it put away for the season.

Late spring, early summer brought on some of the yearly jobs. We started with grading and ditching of our dirt roads, along with the re-graveling of Plain Road Ext. We then moved onto preparing roads that we scheduled to get chips sealed and cracks sealing done to them through out the year. We also worked on drainage issues in various parts of the town, shoulder work, ditching, along with completing the roads that were scheduled to be chip sealed and paved.

In the fall we had a project around the town hall that consisted of removing all the old asphalt from around the town hall and placing catch basins and new drainage in this area to help alleviate the runoff from this area during rainstorms and melting of snow in the winter, along with repaving the whole area.

We finished the year doing some ditching, tree and brush work, grading of dirt roads before snow fly, along with getting our winter equipment ready and tested.

As always, I would like to thank the residence of Hinsdale for their continued support. If you have any questions or concerns please call 336-5716.

Respectfully Submitted
Frank Podlenski
Highway Superintendent

Hinsdale Millstream Community Center

2011 Annual Report

The Center is available for private and public activities. We had a total of 67 rentals for 2011.

Many non-profits use the building: Cheshire Mediation, M. Developmental Services, Earn-It-Program, Girl Scouts, Brownies, Lions Club, Hinsdale Parent Partnership, Historical Society, and North Hinsdale Church , Southwestern Housing and Development Services

I would like to thank all the volunteers who donate their time and effort to events that take place at the community center. Kathy & Jon Buckley, Jennifer, Courtney Domingue, Katie & Heather Johnson, Jason Hudon, Paul Pelkey, Dwight Blossom, Jill Collins and Maria Shaw. And a really big thank you to Leon Lacroix for all his volunteer time helping me keep the building floors waxed and buffed.

Activities that are on going:

Congregate Meals and Meals-on-Wheels	Monday through Friday
H.H.Care served 5,305 congregate meals this year.	
Meals-on-Wheels delivered in Hinsdale 12,567	
Meals-on-Wheels delivered from Hinsdale to Winchester and other communities 13,713.	
Age in Motion Exercise	Monday and Wednesday
10:30 to 11:30 a.m.	
Both men and women are welcome to join. Sessions will consist of exercise strength, flexibility and balance. Each hour class is lead by a certified instructor. Age in motion is a strength training program designed for older adults. This is the 11 th year of age in motion.	

Martial Arts Class	Monday and Friday
5:30-7:00	

Weight Watchers	Wednesday
5:00-7:00	

Weight Loss Challenge/Nutrition Class	Tuesday and Thursday
5:00-7:00	

WIC Program
Every third Thursday of the month

Blood Pressure Checks
FREE! Every third Wednesday from 11:30-12:30

Fuel Asst.
Done in the months of September, October

Flu Shots
Done in the months of October, November

Some of the special activities we do for the seniors are: monthly birthdays, all holiday parties, end of the year party, dinner & dance suppers. We do a special lunch with Winchester seniors on the second Tuesday of each month.

M. Family Service had a six week summer program 4 days a week at the center this summer.

Ideas and suggestions are always welcome.

Karen L. Johnson

**Town of Hinsdale
Parks and Recreation Program Report
2011**

Seasonal Program Director's Report

Day Camp

The Town of Hinsdale offers a weekly day camp for children entering grades one through eight for a six week period. The hours of the day camp run from 9:00 am to 3:00 pm Monday through Friday. This past summer the camp had a record high of enrollment of 135 and a daily average of 100 children per day. The activities included Arts and Crafts, Sports, swimming and other fun filled activities through-out the week. The Middle School program enjoyed field trips to hiking Mt. Wantastiquet and a trip to Spofford Lake. For the first time in a very long time, if ever, the Summer Program qualified for full State Re-imbursement for the lunch program. We would like to thank the Hinsdale School Board and Nutritional Supervisor Kelly Wojick (Abbey Group) for the continued support of the lunch program that is offered to camp participants.

I would also like to thank the Day Camp Staff, who made the summer program a success. Last summer's program was a fun action packed summer and we that the HPC for partnering with us in providing Middle School programming. Also, I would like to thank Tammy and Brad for doing an excellent job at running the day to day activities of the camp, thank you! Allow me to say that without each of our dedicated staff members, it would be impossible to offer the quality program that Hinsdale Parks and Recreation Department offers. Thank You!

Municipal Pool

The Town Pool offers residents and non-residents a chance to swim during those hot summer days. We offer various activities on a daily basis: American Red Cross Water Safety Instructions are offered at a modest price (\$35.00 & % off for campers enrolled in summer program); two Adult Water Aerobics classes are offered; as well as Public swim times.

We had nearly 50 children (an increase from last year) enrolled in WSI Levels I-V. The WSI program was directed by Mike McCosker, Kayla Matuszewski and Matthew Ebbighausen. The Adult Water Aerobics program had an average of 10 or more women in attendance daily. A special thanks to Elizabeth Boggio and Cathy Johnson who directed the water aerobics program.

This past summer was an extremely hot summer, and we saw record crowds at the pool. The best I can estimate is that we saw an average of 65 people a day for much of the summer who made use of the pool. I would like to commend our customers who came out and were for the most part, very patient with and respectful to our staff during a very hectic summer.

Youth Sports

I would like to thank Maryanne O'Malley and the ACCESS Group who has assumed the oversight of the Recreational Sports Program. Though I help behind the scenes with ordering and handling the funds, it must be noted that Maryanne has worked diligently to keep this program running strong.

On behalf of those who oversee the program and the children who take part in Soccer and Basketball, I would like to thank all of the volunteers who make the program run smoothly. Without the contributions of parent volunteers, this program would not be possible. Thank you!

Finally I would like to thank the Town Administrator Jill Collins, the Board of Selectmen, the Selectmen's Administrative Assistant Maria Shaw, and the Recreation Board for their support that they offer me as the Seasonal Program Director, without each one's help, we would not have been successful in our program. And to the Resident's of the Town of Hinsdale who enable us to be a community that offers quality programs to its residents.

This report is respectfully submitted by:
Mike McCosker, Seasonal Program Director

**Town of Hinsdale
Parks and Recreation Program Report
2011**

Seasonal Program Director's Report

Day Camp

The Town of Hinsdale offers a weekly day camp for children entering grades one through eight for a six week period. The hours of the day camp run from 9:00 am to 3:00 pm Monday through Friday. This past summer the camp had a record high of enrollment of 135 and a daily average of 100 children per day. The activities included Arts and Crafts, Sports, swimming and other fun filled activities through-out the week. The Middle School program enjoyed field trips to hiking Mt. Wantastiquet and a trip to Spofford Lake. For the first time in a very long time, if ever, the Summer Program qualified for full State Re-imbursement for the lunch program. We would like to thank the Hinsdale School Board and Nutritional Supervisor Kelly Wojick (Abbey Group) for the continued support of the lunch program that is offered to camp participants.

I would also like to thank the Day Camp Staff, who made the summer program a success. Last summer's program was a fun action packed summer and we that the HPC for partnering with us in providing Middle School programming. Also, I would like to thank Tammy and Brad for doing an excellent job at running the day to day activities of the camp, thank you! Allow me to say that without each of our dedicated staff members, it would be impossible to offer the quality program that Hinsdale Parks and Recreation Department offers. Thank You!

Municipal Pool

The Town Pool offers residents and non-residents a chance to swim during those hot summer days. We offer various activities on a daily basis: American Red Cross Water Safety Instructions are offered at a modest price (\$35.00 & ½ off for campers enrolled in summer program); two Adult Water Aerobics classes are offered; as well as Public swim times.

We had nearly 50 children (an increase from last year) enrolled in WSI Levels I-V. The WSI program was directed by Mike McCosker, Kayla Matuszewski and Matthew Ebbighausen. The Adult Water Aerobics program had an average of 10 or more women in attendance daily. A special thanks to Elizabeth Boggio and Cathy Johnson who directed the water aerobics program.

This past summer was an extremely hot summer, and we saw record crowds at the pool. The best I can estimate is that we saw an average of 65 people a day for much of the summer who made use of the pool. I would like to commend our customers who came out and were for the most part, very patient with and respectful to our staff during a very hectic summer.

Youth Sports

I would like to thank Maryanne O'Malley and the ACCESS Group who has assumed the oversight of the Recreational Sports Program. Though I help behind the scenes with ordering and handling the funds, it must be noted that Maryanne has worked diligently to keep this program running strong.

On behalf of those who oversee the program and the children who take part in Soccer and Basketball, I would like to thank all of the volunteers who make the program run smoothly. Without the contributions of parent volunteers, this program would not be possible. Thank you!

OFFICE MANAGER

Michelle D. Rideout

In 2011 the Hinsdale Police Department worked with the State of New Hampshire and was established as a forensic satellite lab for ICAC (Internet Crimes Against Children).

Crimes that occur on the internet to include fraud and thefts are on the rise throughout the region. Primarily the crime of solicitation of children through the internet and the transmission of these images to others are investigated. The Hinsdale Police and the State of New Hampshire have prosecuted some fifty violators of these crimes. This program is designed to combat national crime in which the victims are children in this area.

The Department has received electronic equipment to do forensic analysis of computers, cell phones and other electronic devices. Crimes using electronic media are on the rise today to include, crimes against children, fraud, thefts, and threats using cell phones and social networking. This technology has been useful in identifying individuals that have committed these crimes and brought them to the courts.

In addition Officer Mike Tollett has been trained as a DARE officer and will commence teaching the subject in the Elementary School as well as aiding with the Health Classes in the Middle and High School.

The Town is also in the process of hiring two part-time officers to replace officers who have gone on to work elsewhere.

Phone 603-336-5715
Fax 603-336-5711

NH Certified Treatment & Distribution Operator # 729

2011 Annual Report

During the year the Water Department pumped 103,252,103 gallons of water to the village and north systems, worked on 22 + leaks, repaired 1 broken fire hydrant and replaced 2 fire hydrants. We continue the maintenance on the systems fire hydrants, service line valves, main line valves and all the valve boxes. That allows us access to some 1,000 + valves.

We continue the leak detection program that we started in the fall of 2003 this takes more time and effort but has much better results, We also continue our involvement with the people in charge at Thicket Hill Park, Oak Hill Park and Freedom Acres Park to keep track of their water use and help them with leaks.

We will still keep the chlorine level at 2 parts per million in both systems as we have had no Bacteria violations in the past 8 years.

We are still working with Underwood Engineers, Inc. on the replacement of well #2 off from Meetinghouse Road. The new well was drilled in the fall and was better than expected. We are still waiting on DES approval. The pump test was not completed in the last fall. We are hopping to do this work in the spring and hope the new well will be on line by fall.

On the sewer side we had 12 sewer problems and continue maintenance of the sewer collection system. The sewer improvements were done on Main Street, Stearns and Fitzgerald Ct. Manhole covers and new storm drain covers work is completed. 14 new manhole frames and covers have been replaced on Northfield Road.

We continue to work with Underwood Engineers, Inc. on other Water and Sewer Infrastructure improvements.

Sincerely,

Dennis J. Nadeau

TOWN OF HINSDALE, N.H.

2011 Annual Report

(32 Years of Operation)

Our highest priority continues to be the need to reduce the groundwater that is ending up at the plant. In 2011 the Treatment Plant treated 114.8 million gallons that flowed through the facility. This flow produced 227,500 gallons of waste sludge that was removed from the process and hauled away for disposal. This calculated out to 21,434 dry/lbs or 10.72 dry tons of sludge that was produced.

Again this year as a notice to all residents on the sewer system, our Sewer Ordinance prohibits the discharge of ground and surface waters from sump pumps, floor drains, roof drains or foundation drains into the sewer system. Discharges of these types of clean water are illegal and not only add to the cost of treatment, they can cause problems with the process at the plant during periods of wet weather that have caused the plant to violate our EPA discharge permit. We need to eliminate these inflow sources.

Anyone who is still illegally disposing of their clean water problems by discharging it into the sewer system must contact us to see if we can work with you to find a better solution to the problem before we find you. We will be conducting studies to find the violators and when you are found, you will be subject to a civil penalty of up to \$10,000.00 per day of such violation in accordance with State Law RSA 149-I, specifically Section 149-I:6.

We do realize that the costs associated with producing clean water from sewage are very high and we do our best to keep costs as low as possible. We need our sewer users to do everything you can to assist us by keeping these types of clean water out of the sewer system.

Our ongoing efforts to make improvements in the Collection System will continue as funding allows.

The NPDES Discharge Permit that is issued to the Town by the EPA expires November 30, 2012. This is the permit that allows the WWTP to discharge the treated effluent from the plant into the Ashuelot River. The permit must be renewed every five years. We will be completing the renewal application package this spring. It must be submitted no later than 180 days prior to the expiration of the current permit.

Although we will not know for sure until our draft permit is released by the EPA, we may be looking at more stringent effluent limitations or requirements for effluent limitations on new pollutants. These could require some types of upgrades to the wastewater treatment plant or its equipment and processes. We will be paying close attention to the permit process as most changes come with a cost associated with them.

We thank everyone for their continued cooperation and support.

Respectfully submitted,
Robert J. Johnson
WWTP Superintendent

Hinsdale Welfare Department Annual Report

**Welfare Department hours: Tues-Wed 8:30-10:30 or by Appt.
Phone (603) 336-5710 Ext. 18 and Fax (603) 336-5711**

The Welfare Department assists residents of the Town of Hinsdale with emergency shelter, rental assistance, and help with utility payments, medications, food, and many other emergency situations. Two years ago we implemented a new program to assist senior citizens living on fixed incomes with fuel assistance for the winter season. This program did well. The Department also works in coordination with many local organizations and businesses to assist families for the Thanksgiving and Christmas Holidays. It would be difficult to assist families in need without the aide and assistance from local groups and residents.

During the course of the year we also assist people with food and clothing. The Welfare Department offers a food pantry full of non perishable food items as well as household cleaning and personal items. Many local groups and residents have donated to the food pantry and it is well appreciated. These donations of non-perishables help fill the cabinets of residents of the Town of Hinsdale. We receive clothing donations throughout the year that allow us to give out items to people in need. These donations do not only help the families that receive them but they also help the Welfare budget out tremendously, without the donations the Welfare Department would need to purchase these items.

This Holiday season we assisted many families. During the Thanksgiving Season the Welfare Office received four food baskets from the Lion's Club and four from the Knights of Columbus. These baskets were given to local families that would not have had a Thanksgiving meal without them, thank you. The office also received two turkeys from anonymous donators to give out as well.

This Christmas the Welfare Office helped 76 children have gifts under the tree. The Lion's Club offered four food baskets for people in need. Wal-Mart allowed Feed the Thousand Project to come in this year. We received many bags of food. Many people donated clothes and handmade items for the children of Hinsdale and I would like to say thank you. All of the Holiday help made it easier for a lot of local families to enjoy with presents under the tree and food to eat.

To all the people that donated to the local families, I would like to take this time to thank you. I would also like to thank the community organizations, including Hinsdale Elementary and Hinsdale High School, the Salvation Army, Brattleboro Reformer, Toys for Tots of Keene, Wal-Mart, Lions Club, Knights of Columbus, the fire department for the boot drive which gave to Feed the Thousand Project, the First Congregational Church of Hinsdale, the youth group from First Congregational Church, the Access program from school, Feed the Thousand Project, T-Bird Mini Mart, and Mark Minckler for many hours spent on organizing the food pantry. Many other local residents donate from the goodness of their hearts and it is greatly appreciated.

If you are in need of assistance but are not able to come during regular business hours please call to make an appointment, we can arrange an alternate time. The Welfare Office is wheelchair accessible through the Depot Street entrance. Application forms and information about other places you can go to receive assistance are available during Town Hall hours (Mon. – Thur. 7am-4pm) in the lobby.

Respectfully submitted,

Donna Minckler
Welfare Director

Hinsdale Conservation Commission 2011 Annual Report

The Commission continues to review timber and septic permits and to conduct site visits. The Commission acts in an advisory capacity to the Planning Board.

Many members are active and work collaboratively in other organizations and Boards and share their information and experience with the Commission. Some of these include Friends of Pisgah, Ashuelot River Local Advisory Committee, Keene State College, Antioch Graduate School, Hinsdale Historical Society, Lions Club, Planning Board, TIF District, Zoning and Select Board. Two members attended a Drinking Water Source Protection Workshop in Concord. The Commission continues to support the Ashuelot River Local Advisory Committee's water quality monitoring of E-Coli levels in the river.

2011 the Hinsdale Conservation Commission worked in partnership with the Mount Grace Land Trust and the Winchester Conservation Commission to obtain an appraisal for the Wingate Farm. Mt Graceland is working to preserve this historical farm site.

It is with regret the Commission excepted the resignation of our long time Chairperson Ellen Edson. She will be missed. Selectboard Representative Bruce Belleville was replaced by John Smith. Long time alternate Laurel Powel will also be missed. The Commission would like to thank them all for their valuable service.

To learn more about conservation activities in our community, monthly meetings are held the first Wednesday of the month at 7:00pm in the Town Hall. All are welcome to attend. Community partners are always welcome to help with projects.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale
2011 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Members are nominated by local municipal officials and appointed by the Commissioner of the NH Department of Environmental Services (DES). We strive to be educated in a broad array of issues associated with the River and its watershed. We hope to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

The volunteer Ashuelot River water quality monitoring program in conjunction with the DES Volunteer River Assessment Program (VRAP) continued for its eleventh season. Twelve sites were sampled along the River's 64-mile length, as well as sites along the South Branch in Swanzey. Analyses were done for temperature, pH, total phosphorus, dissolved oxygen, turbidity, chloride, and conductivity. Contributions from Conservation Commissions along the River and Trout Unlimited added to DES funds to cover costs for testing. ARLAC members, working with community volunteers, participated in a spring training session, leading into a five-month effort of monthly sampling May through September. E. coli samples were obtained June through September. River water quality improvement is noted by a decline in total phosphorus, but E. Coli data continues to be inconclusive. The increasing acidification of the River continues with a trend of lower pH readings. Data can be viewed at <http://des.nh.gov/organization/divisions/water/wmb/vrap/data.htm>.

A mandated task, ARLAC reviews and comments on state permit applications within the River corridor that have potential impacts on the River. This year ARLAC submitted comments on eleven projects proposed in Washington, Gilsum, Keene, and Winchester. Included in those permit reviews were the Mitchell Sand and Gravel asphalt plant in Winchester and the lagoon closure at Paper Service. We also met with Keene's Planning Department to discuss Keene's request for exemptions to the Shoreline Protection Act and continued to advocate for full shoreland protection.

Two projects continuing into next year are the restoration or removal of the West Street Dam in Keene and the Ashuelot River Stream Crossing Improvement Project. Following the City of Keene's discussion on the possible removal vs. restoration of the West Street dam, ARLAC prepared and presented to the Keene City Council and Conservation Commission a Frequently Asked Questions information sheet to further enhance the debate. The second project is spearheaded by Trout Unlimited (TU). After seeking local input, ARLAC provided feedback to TU regarding culvert restoration priorities for improving stream connectivity in the Ashuelot watershed. It is anticipated that removal of three severe barriers to fish passage will begin in 2012.

To further our knowledge of the environment and the River, ARLAC hosted presentations on Floodplain Forests by Dr. Christian Marks of the Nature Conservancy, and on Air Quality in Southwest New Hampshire by Nora Traviss, Keene State College Professor. Dr. Patrick Eggleston also provided interpretation of 11 years of water quality data.

River cleanup took place over two weekends in October. 25 volunteers removed 1,745 pounds of trash from the Ashuelot River in Keene and Swanzey, and Beaver Brook in Keene.

ARLAC meets monthly in the evening of the third Tuesday in Keene. The Local Advisory Committee invites citizens and town officials to contact their local ARLAC representatives with any concerns or input.

Respectfully submitted,
Barbara Skuly, Chairman

2011 Membership: Linda Fuerderer, Marlow; Pablo Fleischmann, Gilsum; John Davis, Surry; Jim Holley & Brett Thelen, Keene; Barbara Skuly & Stephen Stepenuck, Swanzey; Dan Carr, Winchester; Serena Benedict, Hinsdale.

Hinsdale School District

March 2012

Annual Report

The State of New Hampshire
Board of Education

In the Matter of
Hinsdale School Administrative Unit

Be It Known That:

Whereas, the voters of the Hinsdale School District, at the October 23, 2010 special school district meeting, by the necessary vote of 3/5 of the voters present and voting, have voted in favor of withdrawing from SAU #38 and establishing a single school administrative unit, in compliance with the provisions of RSA 194-C:2;

Now therefore, the State Board of Education does hereby issue this certificate of formation;

And does further certify that the Hinsdale School Administrative Unit #92 is lawfully formed, as of the date of issuance, with all the powers, rights and privileges and subject to all limitations, duties and restrictions, which by law appertain thereto and shall become effective on July 1, 2011.

Witness the official signature of the State Board of Education hereunto subscribed by Virginia M. Barry, Ph.D., its secretary duly authorized and the seal of the State Board hereunto affixed this 8th day of December 2010.

State Board of Education

By _____
Virginia M. Barry, Ph.D.

Commissioner of Education

"Children need models rather than critics." ~ Joseph Joubert

Dedications

Irene Jobin Hall

Mrs. Irene Hall started her career in Hinsdale as a student teacher in early 1973 with Mr. Miller in the sixth grade. In September of 1973 she started her teaching career with the Hinsdale School District, she taught third grade, a 5/6 combination class, 5th grade and currently teaches 6th grade at the middle school. Mrs. Hall has been an integral part of the Hinsdale School District for the past 39 years. Mrs. Hall has fulfilled many roles outside of the classroom, math challenges, organized the National Spelling Bee (she also served as a judge at the county level) and ran the National Geography Bee competition for grades fourth through sixth for many years. She has always been involved in the curriculum committees over her years of service. Mrs. Hall also was an active member of the Hinsdale Federation of Teachers serving on the negotiating team and as an officer for many years. The move from the elementary to middle school has been an easy transition for both students and Mrs. Hall, where she has enjoyed teaching over the past three years. She is very dedicated to the students of Hinsdale and will be missed. We wish Mrs. Hall health and happiness as she and her husband travel throughout the years in their fifth wheel.

Wayne Temmen

The Hinsdale School District would like to thank Wayne Temmen for his 15 years of service on the Hinsdale School Board. During his time as a School Board member he has been a tireless champion of children, serving on numerous committees to ensure that the children in the Hinsdale School District are recognized. He served as chair of the committee for many years. His guidance and leadership will be missed. Mr. Temmen showed tenacity in not accepting the word no on the building project, he listened in his role of Chairman of the Building Committee and would present to the voters over several years different options before the recommendation was accepted. This is a concrete example of his commitment and dedication to providing resources and opportunities for the students of the Hinsdale School District. His dedication and hard work to the cause of education has been an integral part of making the Hinsdale Schools the fine institutes they are today, his work will help lay the foundation for a bright future for the Hinsdale School District.

**Report of the
Hinsdale School Board
2011-2012**

Citizens of Hinsdale,

Welcome to the 2012 Annual Hinsdale School District Meeting. On behalf of the Hinsdale School Board, I would like to thank the entire Hinsdale community for your continued support of the Hinsdale School District. Several years ago when the community voted to continue as a single town district, we knew it would not be an easy task. Throughout the challenges of difficult economic times and increasing government educational mandates, the Hinsdale community has remained steadfast in their support, enabling us to provide the children of Hinsdale with the resources they need to be successful in an increasingly demanding and technologically advanced world. The School Board recognizes that the economic times remain difficult. We have worked diligently with the Administration and Staff on the budget for the upcoming school year to ensure that the community's tax dollars are spent wisely while continuing to meet the needs of our students and the mandates of the State of New Hampshire.

On July 1, 2011 the efforts of several years of hard work came to fruition when we became an independent school administrative unit (SAU). Over the summer the SAU 92 central office staff worked diligently to get the new SAU up and running. The location of our SAU offices on the campus of the Hinsdale Schools has created efficiencies and enriched the school community as a whole.

Every 10 years, high schools in New England must go through an accreditation process through the New England Association of Schools and Colleges (NEASC). Throughout this process, Hinsdale High School will be evaluated on all aspects of the school, from curriculum to facilities and everything in between. A steering committee has been formed to begin preparations for the re-accreditation process. In the coming year, subcommittees comprised of staff and community members will be formed to complete various self assessments of the school and to compile reports that will be sent to the NEASC. The NEASC will then send a group, comprised of educators from throughout New England, to the school for a site visit and the process will culminate in the issuance of a comprehensive report of commendations and recommendations. Accreditation is a vitally important and necessary component of public education. This will be a major focus of our time in the coming school year and, due in large part to the community's past and continued support, we are well positioned to successfully navigate this process.

As a small school district we must continually look at new and innovative ways to provide our students with quality educational opportunities. One such innovative program we have implemented is our Extended Learning Opportunity (ELO) Program. Due to scheduling changes at the Windham Regional Career Center (WRCC), it has become increasingly difficult for our students to attend the WRCC. The ELO program has helped to fill this void and provides students with opportunities to explore areas outside of the traditional classroom while gaining real life work experience. Another innovative program, our Life Skills Program, continues to

grow. This program is designed to provide our Special Education students the skills they need to enter the workforce and become more independent. There are many different types of learners and, to prepare all our students for success, we must ignite the spark and instill a love of learning in all students. It takes a dedicated and caring staff to ignite the spark and we offer our sincere gratitude and appreciation to all our teachers and support staff for everything they do every day for the children of Hinsdale.

This year we welcomed Ann Freitag as the new Principal of the Hinsdale Elementary School. Ann has been a valued member of the school community for many years and comes to her new role after 26 years as a Science teacher at the Hinsdale Middle/High School and District Curriculum Coordinator. Ann's long and distinguished career as a teacher provides her with a unique perspective and enthusiasm which she brings to her new role as Principal.

This year we say good-bye to Irene Hall, a long time member of the Hinsdale teaching staff. Although, in recent years Irene has taught at the Middle School, she will be most fondly remembered for the impact she made teaching several generations of students at the Elementary School. We thank Irene for her years of dedication to our students and wish her all the best for a relaxing and fulfilling retirement.

Finally, this year we bid farewell to outgoing school board member, Wayne Temmen. Wayne has served our community as a member of the School Board for 15 years and his leadership as chair for many of those years was integral to many successes and positive changes in the District. Most notably, Wayne was a driving force behind the building project, which is a concrete example of his commitment and dedication to providing resources and opportunities for our students. The District has benefitted from the years of experience, knowledge and perspective that he brought to the Board and we are grateful to Wayne for his leadership and his many contributions to the children of Hinsdale. On behalf of the Board, I would like to thank Wayne for his years of service and express our gratitude for the difference he has made in the lives of the children in our community.

Public Education is one of the pillars of a free society and public participation is a vitally important component of public education. The Hinsdale School Board welcomes public input and participation in the schools. Our meetings are held on the second Wednesday of each month at 6:30 pm in the Hinsdale Middle/High School Library and all are welcome to attend. Board member contact information can be found at www.hnhsd.org

Respectfully Submitted,

Holly Kennedy

Chair, Hinsdale School Board

**Report of the
Superintendent of Schools
2011-2012**

Welcome to the first Annual Report of the Hinsdale Administrative Unit #92

Hinsdale Administrative Unit #92 Goals

- The formation of a Hinsdale's SAU # 92 was completed as of July 1, 2011, this included finalizing the necessary documentation required by the State of NH
- The acquisition of financial software, the location and Board approval for the formation of the new office space which included furniture, office equipment and renovations necessary to create a seamless operational central office facility
- To engage and complete the Support Staff Negotiation process
- Formation of an Administrative Team: The team will be meeting on a regular basis to provide oversight through the restructuring process outlined from the NH DOE. The district team will provide a combination of efforts to address the four year AYP status as well as Focus Monitoring at both the elementary and middle school. The Superintendent will be directly involved in the management of the schools, as will the Curriculum Coordinator in matters concerning professional development, and curriculum. Technology and data management will be supervised by the Technology Coordinator.

The Vision for Instructional and Program Improvements of the Hinsdale schools

Goal setting is an important element if we are to engage in short and long term improvement of the Hinsdale School academic programming for students. Five years ago the administration and staff were able to identify a number of cultural issues that were blockers to moving the Hinsdale schools forward. These issues covered a broad spectrum stemming from poor student behavior to setting higher expectations for staff and the need to implement new programming and standards. Now, many of these underlying issues have changed and a collaborative spirit is in place where all stakeholders understand the expectations and the need for the district to improve. The administration welcomes the challenge and through the efforts or working closely with the school board and community who have supported philosophically and financially many new initiatives over this time period. Our goal was to set higher and new program standards and is a continuous process that would grow so as to improve the social, emotional and educational quality for students of Hinsdale.

These goals were generated from many discussions between the school board and members of the administrative team. The administrative team provides us with an opportunity to identify issues, but the group's ability to grasp complex learning or general issues and find common ground toward a positive resolution. The communities continued support is necessary as we attempt to raise the academic standards for students and teaching expectations for staff. These processes are complex and the related strategies and implementation are already underway. It

is important for us to set direction and create alignment of staff to look at the future with some exciting options to raise our educational standards. The administrative team appreciates both the school board and community efforts to meet the challenges that face us as team when making changes to the current organizational and educational structures.

Listed below are the varieties of activities that are in progress and comprise our educational, instructional, staffing and organizational goals for the 2011-2012 school years.

Elementary Goals:

- *Adding Staff to the Early Grades:* The practice of adding an additional staff member was twofold. One goal was to have more students participating since the early child hood population were entering first grade with very little literacy or adjustment issues. We have made some modifications and attempted to encourage greater parent involvement. This year our tuition alternatives were modified to include tuition alternatives that would act as incentives for parents to help offset costs.
- *Significant Changes in Special Education:* Two years ago a special education coordinator was hired to serve at HES to provide leadership and coordinate all special education activities dealing with families, teachers and service providers. This additional layer represents an administrative restructuring to allow the principal to focus on the overall management and supervision of staff, enabling him to work collaboratively with the district's curriculum director and curriculum team to analyze current data and implementation of new and established instructional content. This year we reduced the number of case managers since our last testing results indicated that we were not succeeding with the special education sub group. This approach enabled us to transfer the funds to hire additional teaching staff for certain grade levels. A strategy will be adopted where case managers will be responsible for support staff services and be part of the instructional scheme. Special Education and Title One staff will now be meeting bi-weekly with their instructional teams and the principal for planning and assessment.
- *Changes in the Master Schedule:* Two years ago the master schedule was modified to create more elongated instructional blocks that will support greater collaboration and a teaming approach by all parties called Professional Learning Communities (PLC's) which includes classroom teachers, Title I personnel, SPED personnel, and support staff. Other modifications in the schedule were made to increase instructional time.
- *Common Planning and Differentiation:* The Professional Learning Community model (DuFour, 2006) has been utilized for the last two years .requires. The master schedule was changed to provide two critical elements: a) common planning time for grade level colleagues; and b) parallel core curriculum (i.e., mathematics and language arts classes happen at the same time at each grade level to allow for strategic grouping of students between rooms). Bi-weekly meetings with the instructional teams (same grade level teachers, special ed., Title, and support staff) will review progress, assessment data, and make any instructional adjustments needed to improve achievement. The grouping practices

in reading, writing, and math will be reviewed and adjusted as necessary to create a spiral movement of students based on their ability to master instructional content. This year we made one modification. We have moved the smaller PLC meeting with the grade level teachers to twice a month and would occur after school in place of their Wednesday staff meeting time.

- *Professional development:* We have continued with the successful implementation of the “Reading Street” basal program (Pearson), the Everyday Mathematics program (University of Chicago, Wright Group/McGraw-Hill), and the Collins Writing program (Collins Education Associates). Professional development throughout the year will focus on supporting the implementation of these three programs. The principal, curriculum director and superintendent will work cooperatively to develop a cohesive staff development plan. Training programs on SmartBoards, electronic report cards, Map Testing analysis, Everyday Math, Reading Street, CPI, and Second Step (classroom behavior management) will be continued. The new focus this year will be to begin the curriculum process for the updating of instructional materials in both the curriculum areas of science and social studies.
- *Technology:* The recent purchase of new computers and Smart Board technology will enhance instruction in all subject areas. Both Reading Street and Everyday Mathematics have strong web-based support systems and classroom resources. In addition we did purchase a Pearson Product called Inform and Studio which will allow us to enter a variety of formative and summative data on each student. This process will help us track student progress and provide the teacher with an option to group students based on their attainment of various content learning skills.
- *Technology-based Intervention:* Fast ForWord and Reading Assistant software were purchased and installed in the school’s computer lab and have been very successful. The lab was staffed with two highly skilled paraprofessionals. The programs focus on phonics, vocabulary development, comprehension and fluency; in addition, the software provides weekly progress reports to parents, teachers, and IEP teams. These programs have made a tremendous impact to facilitate the auditory and reading skills of students on a K-8 basis.
- *Leadership:* Many changes have occurred in the last three years concerning the elementary leadership. With Ann Freitag as the principal we have a great opportunity with someone who has great instructional knowledge and high expectations. Her investment in the Hinsdale Schools will serve as a strong backdrop to help staff understand the various instructional strategies that will be necessary if we are to move the school forward.

Hinsdale High School and Middle Schools

Focus – The high school and middle school goals were generated to create a stronger academic setting for students and staff and the ability to meet the varying needs of all students. Mr. Sullivan has made changes to the current schedule to provide students and teachers with a stronger sense of needing to improve and setting higher instructional standards in all content areas. Our Power School program has increased as a record keeping tool and for parents

through portal use on a day to day basis to follow student progress and staff expectations for content courses.

Instruction

- *Hybrid course development:* This process began a year ago with a small grant to offer students other instructional alternatives that we could not offer. The program has met with great success and is continuing this year. The administrative and staff's vision for such a program gives us a unique alternative and head start on other small districts wishing to implement such programming.
- *Use of Studio and Inform for common student assessment tracking:* Over the last few years the administrative team has been looking for programs that would allow us to enter a variety of data from our students to give us a better profile of their learning skills and success. Before full implementation we have established a core pilot team at the high school level. This approach will help us to identify the best options in using the program and provide staff with in house tutors once we move toward full implementation. We are excited about the program and a year ago we did receive training from Pearson where a majority of the staff was introduced to the program components and its potential for improving student instruction.
- *AIMSWeb* - Along with RTI AIMSWeb was an important initiative to help reduce special education costs and to establish a special education organizational approach for screening and monitoring of special education referrals.

Organizational Activities

- *NEASC* – The high school is now preparing for its ten year review process from NEASC. Committee's are currently being formed and beginning work has been initiated to complete the programmatic documentation necessary to validate standards set by NEASC. This process will culminate by a visit from the NEASC team in the year 2013.
- *Professional Learning Communities* – One of the most important organizational initiatives we have undertaken. This process at the high school level operates differently than at the elementary. Because of a content based by disciplines or departments meetings occur once a month and subject teams review data and/or content that needs to be covered based on their subject. At the elementary it is grade level driven and the grade level works as a whole rather than each classroom is a separate entity. There is clustering of students within the grade level and based on student progress the team regroups and cluster's students as identified by the data.
- *Response to Intervention (RTI) and Differentiation (DI)*– RTI is a district-wide endeavor where the commitment has been made to provide interventions for struggling students before they fail or may need special education services. RTI assumes that schools will

provide targeted and systematic interventions to all students as soon as it is evident that they are needed. The RTI process is a state-wide initiative and is comprised of many components. **Differentiation** is an approach to teaching and organizing a classroom that respects each learner and provides a variety of learning opportunities, thus enabling all students to meet success. DI presents multiple paths for children to access information, make sense of it, and demonstrate their learning.” (Sandy Miller-Jacobs 2010) A number of district-wide educators and administrators participated in a five-session training in DI at Keene State College last year. The group then provided colleagues with after school information sessions to share what they learned about DI with colleagues in all three schools. We are working with staff to understand the philosophical and implementation aspects of the program. This process is important but will take a period of time before we are able to maximize its effectiveness.

- *RTI and AIMSWeb* are two special education initiatives that are to assist us to try a variety of learning interventions before admitting a student into special education. Also, it is another alternative for struggling students who are not in special education, but are having some learning difficulties. This process is important but will take a period of time before we are able to maximize its effectiveness.
- *Data Driven Decision Making* – One of the major educational thrusts has been “accountability”. The educational reference for this term is how to determine the learning ability of each student and their ability to achieve. The best way to obtain this type of information is through a system that would allow constant feedback and an evaluation process that would provide us with this information. Last year, we reviewed our current evaluation tools and besides the normal testing practices of evaluations created by the classroom teachers or unit tests from current instructional programs. With the purchase of the Tapestry and Inform Data Programs from Pearson, we now have the opportunity to warehouse a variety of student information to make better educational decisions based on their current learning level. In place is a high school pilot team working with the new system which will allow the opportunity to use data to drive student learning and create a continuous feedback loop as to their success. Staff training will continue as the pilot group provides us with information concerning their implementation process. Beginning last year the special educators at HES and the middle school have been using AIMS WEB to chart special education students’ academic growth.
- *Life Skills Program design* – With two programs in place we are now evaluating program effectiveness and assessing the programs curriculum and expectations for students. Currently, we have over 20 students in the two classrooms. We are continually examining the state standards as well as the overall program philosophy and expectations for students. Our goal is to provide the school board with some recommendations for graduation and appropriate graduation certificate options for those students who are in the program.

Curriculum Instruction DISTRICT WIDE:

GOAL: To ensure that curriculum, instruction and assessment are designed and delivered to enable diverse learners to achieve or exceed standards and to ensure that the organization of learning is clearly defined PreK-12 both horizontally and vertically.

- Activities that move towards realization of the goal
- Review and revise the science and social studies curriculums based on the 5 year cycle previously established
- Develop a district assessment plan that is clearly articulated by grade level
- Develop a time line for implementation of the Common Core standards that align with the NH time line
- The development of a 2 year plan that includes
 - Development of a teacher tool kit related to assessment and data collection
 - Development of grade level curriculum guides for parents

Special Education DISTRICT WIDE:

- Increased collaboration with regular education through PLCs
- Improvement in home/school relationships
- Professional development for case managers and other service providers
- Compliance with mandated deadlines
- Review of continuum of Special Education services pre-K through 12

ELEMENTARY SCHOOL:

- Pre-school homogeneous mix of regular/special education students
- RTI used to identify special education students
- Inclusion model for special education students during recess/lunch
- Improved transition for students from grade to grade and school to school

MIDDLE/HIGH SCHOOL:

- Middle school special education teacher works in regular education classroom (push-in model)
- Refine philosophy/ criteria/ expectations for middle and high school Life Skills Program
- Keene State placement of intern – subsequently hired as Middle School Life Skills teacher

	Math	No 61.8	No 65.0	Yes(SH) 60.0	No 65.0	*	No 36.9

Notes:

Target: The index score for a group is the average of the index points earned by the group, reported to the nearest 0.1. This year, the index targets for all schools remained unchanged from the previous year. Targets for all schools will increase next year and then will increase periodically until 2014, when the targets will reflect an index score of 100, or a goal of 100% of students achieving proficiency.

CI or Confidence Interval: The performance of groups varies considerably from year to year, partially due to cohort differences. A “confidence interval” approach is utilized to define bounds for acceptable performance in year-to- year variations. For each particular content area, this statistic depends primarily on the size of the group.

Safe Harbor: Groups that neither meet the index target nor fall within the confidence interval can still meet requirements if they meet two additional tests—the 10% Rule and the “other” indicator requirement, participation of 95 %.

*Subgroup less than 11 students

The State data displayed is the same for elementary/middle schools, due to the combined reporting at the state level.

Science NECAP Results

Grade 4 Science:

39 % Proficient in Level 3, down from 45 % in level 3 plus 2% in level 4 last year

55 % Partially Proficient in Level 2, up from 43 % last year

6% Substantially Below Proficient in Level 1, down from 10% last year

The state had 1% at level 4, 54 % at level 3, 35 % at level 2, and 8 % at level 1.

The grade 4 students' strength appeared to be in physical science, scoring about 65% of the total possible points. This is followed by earth space science, with a little over 60% of the total possible points. The weaker areas were life science, less than 60 % of the total possible points, and Inquiry, scoring just over 40% of the total possible points.

Grade 8 Science:

15% Proficient in Level 3 that is down from 26% in Level 3 last year

57% Partially Proficient in Level 2 that is up from 52% in Level 2 last year

28% Substantially Below Proficient in Level 1 up from 22% in Level 1 last year

To give some additional perspective to those numbers, the state placed 27% in Level 3, 52% in Level 2 and 21% in Level 1 in this test. The strengths and weaknesses seen in the grade eleven test are mirrored in the eighth grade test. At first glance, it might appear that the middle school performance is definitely moving in the wrong direction; however, the make-up of the cohort taking the test definitely impacted the school performance. We need to continue to move forward doing what we are doing.

Grade 11 Science:

46% Proficient in Level 3 is more than double the 22% Proficient in Level 3 last year

38% Partially Proficient (Failing) in Level 2 is down from 60% in Level 2 last year

15% Substantially Below Proficient (Failing Badly) in Level 1 is down from 17% in Level 1 last year.

To give you some perspective on those numbers: The state had 26% in Level 3, 47% in Level 2 and 26% in Level 1.

It appears at first glance that our Life Science performance was our strongest area of performance with our kids garnering just over 60% of the total points available and our weakest area of performance was in Inquiry where we scored just over 50% of the total points available. The gains that we have made are appreciable and significant and each of you should be proud of the improvement. However, while we out-performed the state and our local cohort group, we need to remember that over half of our kids still have not passed the test. I am proud of your efforts and the improvement in the scores our kids have achieved but we still have work to do.

Professional Development

Our district places a good deal of emphasis on professional development to support and improve instructional practices in the classroom for all students. Through the combined efforts of our curriculum coordinator and the building principals we have identified a number of valuable professional development activities that will help prepare our staff for the number of academic and program changes that face us in our goal to improve instruction for our students.

This year members of the school community would like to thank the efforts of all those citizens and elected officials who have assisted us to raise the educational standards for the students of Hinsdale. We are struck by your deeply rooted commitment to children and the sense of pride in the history and growth of the Hinsdale Public Schools. Members of the school board and the administrative team look forward to continue to working with the community serving the town of Hinsdale and its students as Hinsdale Administrative Unit #92.

Respectfully Submitted,

Dr. C

David A Crisafulli

Superintendent Hinsdale School District

**STATE OF NEW HAMPSHIRE
HINSDALE SCHOOL DISTRICT
WARRANT FOR 2012-2013**

To the inhabitants of the Town of Hinsdale in the County of Cheshire and the State of New Hampshire qualified to vote in School District affairs:

You are hereby notified to meet at the Hinsdale Middle/High School Gymnasium in said District on Saturday, March 17th, 2012 at 9:00 A.M. in the morning to act upon the following subjects.

ARTICLE 1: To see if the Hinsdale School District will vote to purchase a van for student transportation and to raise and appropriate the sum of \$20,000 for this purpose. [Should this article be approved, the operating budget article would be reduced by \$40,000] The school board recommends this appropriation. The budget committee recommends this appropriation by an 8-1 vote. (Majority vote required)

ARTICLE 2: To see if the Hinsdale School District will vote to raise and appropriate the budget committee's recommended amount of \$12,111,309 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations voted in other warrant articles. [Should the article to purchase a van be approved, this article would be reduced by \$40,000] The school board recommends this appropriation. The budget committee recommends this appropriation by a 6-3 vote. (Majority vote required)

ARTICLE 3: To see if the Hinsdale School District will vote to approve the cost item included in the collective bargaining agreement reached between the Hinsdale School Board and the Hinsdale Support Staff Association which calls for the following increases in salaries and benefits at the current staffing level:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2012-2013	\$18,592
2013-2014	\$21,658
2014-2015	\$18,837

and further to raise and appropriate the sum of \$18,592 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The school board recommends this appropriation. The budget committee recommends this appropriation by a 5-1 vote.

ARTICLE 4: To see if the Hinsdale School District will vote to raise and appropriate the sum of "up to" fifty thousand dollars (\$50,000) to be added to the Special Education Emergency Fund previously established. This sum to come from June 30 fund balance available for transfer on July 1. No amount to be raised from taxation. The school board recommends this appropriation. The budget committee recommends this appropriation by a 7-1 vote. (Majority vote required)

ARTICLE 5: Shall the Hinsdale School District receive the reports of its agents, auditors, committees and officers?

ARTICLE 6: To transact any other business as may lawfully come before the meeting.

Given under our hands at said Hinsdale, this 1st day of February 2012.

Budget - School District of HINSDALE NH FY 2012-2013

"SPECIAL WARRANT ARTICLES"

Special warrant articles are defined in RSA 32.3, VI, as: 1) appropriations in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriations to a separate article or fund created pursuant to law, such as capital reserve funds or trust funds; 4) an appropriation designated on the warrant as a special article or as a nondesignated or nontransferrable article.

卷之三

"Individual" warrant articles are not necessarily the same as "special warrant articles". Examples of individual warrant articles might be:
1) Negotiated cost items for labor agreements; 2) Leases; 3) Supplemental appropriations for the current year for which funding is already

**The State of New Hampshire
Town of Hinsdale
School District Warrant**

To the inhabitants of the Town of Hinsdale qualified to vote in School District affairs:

You are hereby notified to meet at the Hinsdale Millstream Community Center on Tuesday the 8th day of March, 2011 at 10:00 o'clock in the forenoon to act on the following subjects:

ELECTION WARRANT:

Article 1: To cast your ballot for all necessary school district officers
2,677 Registered voters- 640 votes cast- 23.91% turnout

School Board for three years vote for two:

Joanne Brooks Mulligan	290 votes cast
Jeana L. Major	343 votes cast Declared elected
Elizabeth Rooney	140 votes cast
Angela Schill	373 votes cast Declared elected

Article 2: Shall we adopt provisions of RSA 40:13 (known as SB-2) to allow official ballot voting on all issues before the Hinsdale School District on the second Tuesday in March?

- Inserted by Petition

348 yes votes 253 no votes

As Article 2 did not receive the 3/5 majority of the votes (360.6) cast the motion did not pass. Article received 57.91%.

The following part of the School District meeting shall be adjourned until Saturday March 19, 2011 at 9:00 o'clock in the forenoon in the Robin Beauregard Gymnasium of Hinsdale High School.

The meeting was called to order by Moderator Richard S. Johnson, Jr. March 19, 2011 at 9:07 AM, in the Robin Beauregard Gymnasium of Hinsdale High School. Brownie Troop # lead the Pledge of Allegiance.

The Town Check List was available for use throughout the meeting. Present in addition to the Moderator and Clerk Ann Marie Diorio were Supervisors of the Check List Maria Shaw, Karen Johnson and Kelly Savory. Also, present were School Board members Wayne Temmen, Joanne Mulligan, Holly Kennedy, Jeana Major and Edward Patenaude Jr. Administrations present were: Dr. David Crisafulli, Assistant Superintendent for Hinsdale, Thomas O' Connor, Assistant Business Manager SAU 38, and Attorney Matthew Upton.

Edwin "Smokey" Smith made a motion, which was seconded, to dispense with the reading of the Warrant in its entirety and to take up each article individually. The voice vote was in the affirmative.

School Board Chairperson Jeana Major welcomed everyone to the meeting. Ms. Major recognized retiring teachers John Grainger, Cecelia Hoyer, Patricia Buraczynski, Mary Jane Penfield and support staff Shirley Wolf and Burt Gowen for their combined 134 years of service to the children of Hinsdale. She then recognized outgoing Board member Joanne Mulligan for her years of dedicated service to the children of the Hinsdale School District.

DISTRICT WARRANT

ARTICLE ONE: The Moderator read Article One as printed: To see if the Hinsdale School District will vote to raise and appropriate the budget committee's recommended amount of \$11,868,197 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. The school board recommends \$11,868,197. [NOTE: This amount includes the operating budget amount of \$10,768,197 plus \$1,100,000 for federal program grants and food service grants that are funded by separate revenues and that will not require any additional funds to be raised through general taxation during the current fiscal year] This article does not include appropriations voted in other warrant articles.

- Majority vote required

The motion was made and seconded to accept Article One as printed. Discussion of this article ensued. Tim Girrior asked about the shared staff between Hinsdale and Winchester of SAU personnel. Dr C explained that at one time there was consideration of a shared Director of Special Services but that was not going to happen. The shared staff at this time will be a small portion of a Technology position. Hinsdale would have its own Superintendent, Business Manager, Administrative Assistant and AP/Payroll personnel. The being no further discussion a motion was moved and seconded to call the question

By voice vote it was declared in the positive, Article one passes.

ARTICLE TWO: The Moderator read Article Two as printed: Shall the Hinsdale School District receive the reports of its agents, auditors, committees and officers?

The motion was made and seconded to accept Article Two as printed.

By voice vote it was declared in the affirmative, Article Two passes

ARTICLE THREE: The Moderator read Article Three as printed: To transact any other business as may lawfully come before the meeting.

Tim Girrior asked why the Elementary School Playground was not being used by the students this winter. Dr Crisafulli stated this is the first he had heard of this and would look into it.

Motion was made and seconded to adjourn at 9:20 AM.

For the record, at this March 19, 2011 meeting, the Hinsdale School District voted to raise and appropriate a total of eleven million eight hundred eighty six thousand one hundred and ninety-seven dollars (\$11,868,197.00).

Respectfully submitted,

Ann Marie Diorio

School District Clerk

Hinsdale Federal, State, and Private Grants 2011-2012

The Hinsdale School District received a total of \$860,400.87 due to the efforts of the Superintendent of Hinsdale, Principals, and staff who wrote the following grants:

Drug Free Communities	Hinsdale Community Coalition	\$ 114,959.00
21 st Century Grant	After School Programs (H.A.S.P.)	180,200.00
Title I		219,504.00
Title II- A		47,525.25
IDEA- Regular		134,498.05
IDEA-Preschool		2,044.76
Title I-SINI/DINI-HES		25,000.00
Title I- SINI/DINI- HMS		9,920.62
Ed Jobs		112,156.46
POMS- Mini Grant		995.00
Title VI Rural and Low Income		13,597.73

\$ 860,400.87

**Hinsdale Middle/High School
Principal's Report
2011-2012**

The staff and students of the Hinsdale Middle/ High School wish to express our appreciation for the support that we have received from the entire Hinsdale community. As we begin the transition from our membership in SAU 38 to becoming our own administrative unit, SAU 92, we are very appreciative of the beautiful facility, the cutting edge instructional tools and the financial support provided by the people of Hinsdale. There is a great deal of excitement about becoming our own local school district. There already exists a tremendously supportive relationship between the schools and the other town services; the police department, fire department and other town departments have a wonderful, mutually beneficial relationship. That is not always the case in other communities.

Our students continue to improve their performance on the state NECAP; we have seen growth over time in the past few years. Our achievement pattern improved in every grade and every test area, with one notable exception. That one area of poor performance was in our math scores at the eleventh grade level. In response to that poor performance, we have made several changes in our math program. We have initiated an integrated math program in an attempt to ensure that students who are not taking college preparatory classes will have exposure to the math topics tested at grade eleven prior to taking the tests. We have initiated a required tenth grade, second semester math class entitled NECAP Pre- CAP; this course is designed to reinforce important mathematical concepts for all of our students in an effort to make sure that they are as well prepared to take the test as we can make them. Finally, we have initiated a new instructional approach in our math and science classes called the hybrid approach. This instructional model allows us to differentiate instruction by identifying differing ability groups within a class based upon achievement data and provide each group with material tailored to their performance. It is our hope that this approach will allow us to challenge our more able students and support those who require assistance.

Another instructional change that has been initiated in the past two years but has this year become a part of our regular academic program is the Extended Learning Opportunity (ELO); this state approved approach allows our students to gain academic credit for experiences outside of the class room. One of our students is currently earning academic credit as an extension of his Career Center coursework by working at the Auto tech garage, some of our students are earning credit off site at a local farm and some are gaining English or Science credit by participating in camping, hiking and related environmental science field experiences. We also have a class in which our students write, film, edit and produce a school news podcast; this class has become a real part of our school culture. The goal in all of these approaches is to engage our students in their own learning, increase the academic rigor of our program and expand the number and variety of instructional approaches we utilize to reach our students. All of these approaches are designed to complement our traditional class room instruction and our vocational/ career component.

Our five year NEASC accreditation report was submitted and has been accepted and we have begun the pre-evaluation self study. In the next school year, we will begin, complete and submit

our self study in preparation for a team visit in the future. This process will provide us with a very specific process designed to assist us in looking at our school's programmatic strengths and weaknesses. It is our intention to become a better school; this process shall either validate that we are on the proper path or indicate where we need to change. Either way, we will become a better school system as a result.

On behalf of the entire staff, I wish to thank you for the opportunity to serve the children of Hinsdale as we continue to pursue our goal of becoming a school of excellence.

Respectfully submitted,

John F. Sullivan, Principal
Hinsdale Middle Senior High

**Hinsdale Elementary School
Principal's Report
2011-2012**

The Hinsdale Elementary School began the year with renewed efforts to improve student achievement by striving to instill the value of learning and to promote a sense of community in our students.

Our primary focus has been on implementing the tasks identified in our Restructuring Plan based on our school's Adequate Yearly Progress Status (AYP) for 2011-2012: Year 4 in Reading and Year 5 in Math. Our goals to improve achievement include providing more differentiated instruction through Response to Intervention, a school-wide systematic method to guide instruction and improve learning outcomes for all levels of students.

The efforts made by our teaching staff to reach these goals include:

- improved fidelity to core instructional programs, with school-wide use of Reading Street and Everyday Math
- scheduled common planning times for grade level teams to analyze data and to design flexible groupings of students by specific learning needs within grade levels
- flexible use of qualified staff to deliver instruction, due in part to our transition to a School-wide Title I designation
- integration of technology-based tools and programs for instruction and assessment
- increased communication with parents to improve programs and provide support for learning
- focused professional development on Response to Intervention methods
- improved processes for early intervention on behavior and attendance issues which could impede learning

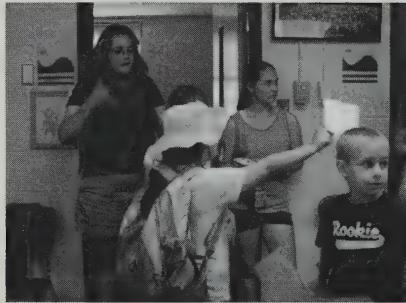

The positive results from the 2010-2011 New England Common Assessment Program showed a decrease in the number of students scoring substantially below proficient in grades three through five for reading and math. The achievement gap between regular and special education students also narrowed at some grade levels. Where the gap increased, there was a large increase in the number of regular education students scoring proficient.

Our school motto of “Safety, Respect, Responsibility and Citizenship” has provided common language for us all to frame our expectations towards developing a stronger sense of community. We are grateful for the continued support of the Hinsdale PTA and the opportunity for students to participate in quality after school programming through volunteer activities as well as the Hinsdale After School Program.

We continue to work together to monitor the interventions we have in place while promoting greater excellence in attendance, behavior, and most importantly, academic achievement.

Respectfully submitted,

Ann Freitag
Hinsdale Elementary School

**Hinsdale Middle/High School
Health Services
2011-2012**

Hinsdale Middle/High School seeks to promote and provide the optimum level of health and wellness for our students and staff. The full-time Registered Nurse assigned to the school provides direct care to students and staff, presents professional development information and training, supplies referrals to other healthcare services, serves on the district Wellness Committee, interfaces with students' primary care physicians as requested by parents, and provides support and reports to various school and district stakeholders.

Health screenings for hearing, vision, height, weight, and spinal development are conducted. Screenings to support students' individual education plans are conducted. Referrals to other healthcare professionals are provided as needed.

Immunization and health records for students are maintained and audited according to the State of NH Division of Public Health standards.

The school nurse assists families in accessing necessary immunizations, physical examinations, warm winter clothing through the Reformer Christmas Stocking, eyeglasses through the Hinsdale Lion's Club, and health insurance through NH Healthy Kids.

Staff members are offered acute care as needed, screenings for chronic conditions such as hypertension and diabetes, and annual seasonal flu vaccines. Several rounds of "The Biggest Loser" – a weight-loss support program – are offered throughout the year.

In the first four months of the school year, at the middle/high school, 4,033 visits to the school nurse were logged. 2,224 of these visits were designated as "acute care". This category includes issues such as headaches, gastro-intestinal concerns, cuts and scrapes, sore throats, and strains and sprains. 624 visits were reported as "chronic care". This category includes care for chronic illnesses such as diabetes, asthma, and epilepsy; and the dispensing of regularly-scheduled medications taken during the school day. 1,185 visits were designated under the category of "wellness". This includes such matters as dental hygiene, skin care, and personal hygiene. This year, more than three dozen staff members received seasonal flu vaccines.

As a "frontline" healthcare provider for the Middle/High School, I would like to express my gratitude to our school administrators, Dr. George Idlekope and the Hinsdale Family Health Center, parents, families, and community members who support our school health program.

Respectfully Submitted,

Jan Zalneraitis, RN
School Nurse

**Hinsdale Elementary School
Health Services
2011-2012**

I started the school year reviewing the health survey to find out who needed help enrolling in Healthy Kids. By December 2011, 100% status was achieved. Ruth Abbott from the Cheshire Medical Center office came and enrolled 9 families and spoke to 2 other families for alternative insurance. Through Health Trust, the staff Flu clinic was set up. Hinsdale Elementary School had its flu clinic in October of 2011. Approximately 32 staff members were vaccinated during this time frame. Dr. Idlekope came in November for a student flu clinic and we did about 25 students.

Cheshire Smiles Dental Program came again to provide screening, cleanings, and education about good dental practice for grades pre-k through 3rd. This is a free service. It is a wonderful service this group provides and they all volunteer their time. Ann Mahoney did a great job coordinating between many schools. Mrs. Parkinson and Mrs. Andersen volunteered to assist getting students from classrooms. During the November 2011 dental cleaning sealants were also applied so that no trip was needed to Keene. Notices were sent home to parents indicating the dental status of the student and which teeth had sealants placed.

The Cheshire Smiles Fluoride began mid October for grades 1-3 with the permission of parents. It goes all year from October to June. We have 10-12 students in each of those classrooms doing fluoride. Several flavors are offered. We continue to work on why brushing teeth and eating healthy is important

Steve Fecto and I teamed up in February 2011 and March 2011 and did an hour-long presentation to the 4th and 5th grade boys and girls about growth changes, good hygiene, and how to prevent lice infestation. Permission slips were sent home with a brief synopsis of what would be taught. We utilized videos for all of these programs as well as discussion. We feel more time is needed in on this topic and hope to do additional time for 2012.

The Holiday Assistance Committee once again worked with the Town Welfare office, our wonderful school staff and community members provided (14) food baskets November 2011. This year we had the Keene State College Honor Society donate 2 baskets. Through a non perishable food drive we were able to donate several boxes of food to the Town Welfare Office for their food pantry which was empty. We also took several boxes to the Price Chopper drop off center for Feed the Thousands.

For Christmas through an application process and review, the families are chosen. Names are kept anonymous. For Christmas we list the age, sex of the child and their sizes, and wish list. The rest is done by the staff and other wonderful community elves. The true spirit of Christmas and caring comes out at HES. For Christmas 2011 we helped (14) families with donations from throughout our school community and families with in the community making donations. This year December 2011 Linda Johndro's family members have continued her tradition and 6 dolls with the fixings were donated to Hinsdale Elementary School.

Hearing and vision testing was completed on all students in October – December 2011. Heights and weights will be done Jan – Feb. 2012. Several students were referred for glasses.

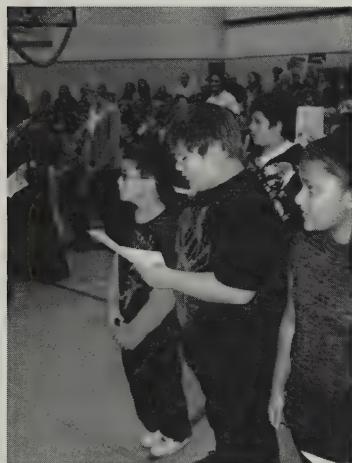

Wellness Committee met several times to discuss the changes that were needed in the policy to bring it more in line with state requirements. Final writing would hopefully occur at the start of the next school year.

I was invited into several classrooms to review healthy eating, exercise and caring for ourselves. Christine Parshalls from Nutrition Connections visited several of the classrooms once a week from January to May working on making healthy choices in our daily lives. This also is a free program and very important for our students.

Respectfully Submitted,

Cheryl Bachinski, RN

School Nurse

Hinsdale Elementary School-Cheshire Smiles Summary
Numbers of Children Served in Project Year 15 (2011-2012 school year)
January 2012

Screenings: The dental screening is a visual observation of the teeth and surrounding structures by a licensed dentist or dental hygienist. Parents receive screening results and recommendations. Cheshire Smiles encourages all children (those with and those without routine dental care) to participate in the dental screening. Parents and dental professionals often volunteer to assist with dental screenings.

- 216 students in PS-3 were offered screenings
- 125 (58%) were screened
- 36 (17%) declined
- 55 (25%) did not respond
- 75% response rate

Prevention: Preventive dental care is provided by licensed Cheshire Smiles dental hygienists using portable dental equipment set up at the school. This preventive dental care includes a professional dental cleaning, one-on-one oral hygiene instruction, sealants, and a fluoride treatment.

- 43 students were offered preventive care
- 36 (84%) received the care
- 2 (5%) declined
- 5 (12%) did not respond
- 88% response rate
- 0 donations were received for the 36 children treated

Restorative Needs: Some of the children who received in-school preventive care need further care by a dentist (i.e. fillings, extractions).

- 17 of the 36 children (47%) who received the preventive care were referred for further care by a dentist

Sealant Needs: Preventive dental sealants are placed on the biting surfaces of back teeth to protect these hard-to-clean surfaces from decay. With parental permission, Cheshire Smiles' hygienists provided this service as part of the preventive visit. Seven of the children who received preventive care received sealants on 14 teeth.

Education: Cheshire Smiles offers to provide a dental health lesson to each class in the targeted grades. These age appropriate lessons were conducted for all the PS-3 classes. "Take-home packets", containing dental health activities for each child and information for parents, were provided.

**Technology Report
Hinsdale School District
2011-2012**

Moving to our own SAU required us to install some voice and data lines in the portables during the spring of 2011 so we were ready for our employees on July 1st. We also purchased a server and financial software application in order to manage the day to day business of a school district. We were able to do this through a sharing of resources with the new SAU in Winchester. The staff at the SAU (district) office spent many hours training with this new software which includes not only financial but a human resource piece. In addition to the financial piece we are finding, during this first year, that we have more extensive reporting and forms to complete for the NHDOE.

Through a grant we were able to purchase a learning management system called Studio. Studio is a Pearson product that interfaces with our student management system, PowerSchool. A group of teachers, who participated in a pilot course funded by the NHDOE last year to learn about using a blended (or hybrid) learning environment to teach, were naturals to be the pilot group of teachers for this new system. This group of high school teachers truly has been the pioneers for us on this project. They are working together to develop their individual courses that they teach each and every day and providing an online component to those courses for their students so the learning can extend beyond not only the four walls of the classroom but beyond the school to other locations. This is a paradigm shift to how we, as educators, teach these students of the 21st century. In November we started with a pilot group of students that is providing us feedback in order to improve and fix the “bugs” before we release to a larger group of students. Early feedback from the students has been positive.

In previous school years we were using a system called Alert Now to make a few automated calls to parents about important events or information from the schools. We expanded the use of the system to make automated reminder calls to more events and have used it to make no school calls to staff. This year we are using it to make no school calls to the students as well. No school information can still be found on the radio or TV but we have added this piece.

The elementary school completed the implementation of a standards based report card last year and all grades, K-5 are fully using such a report card at this point. Students may receive a grade for each subject but are also graded on the standards within each subject area so parents are aware of the strengths and weaknesses their student. This will continue to be fine tuned over the next couple of years as we move to the Common Core State Standards (CCSS) that the NHDOE has adopted.

Our library automation system at the middle/high school was woefully out of date, so much so it was no longer supported by the vendor with updates. We upgraded the software and have moved to a web-based system. In the process we added the elementary school to the system. Our students are now able to login from anywhere and put a book on hold or renew a book they already have signed out. The elementary school will be bringing this online later in this school year since they are new to it.

We have a help desk system that was under utilized in the past. We made a concerted effort to require staff to use it when needing assistance with technical issues. Last year we had over 600 tickets submitted for the year. So far in the first four months of this year we have over 500 tickets submitted. We find it a more efficient way for us to do business rather than people passing us in the hall and telling us about issues we need to check into. The response time is faster with a management system keeping track of the issues that arise. It has been so successful we have added a section for the maintenance department to use for users to request help from the facilities manager.

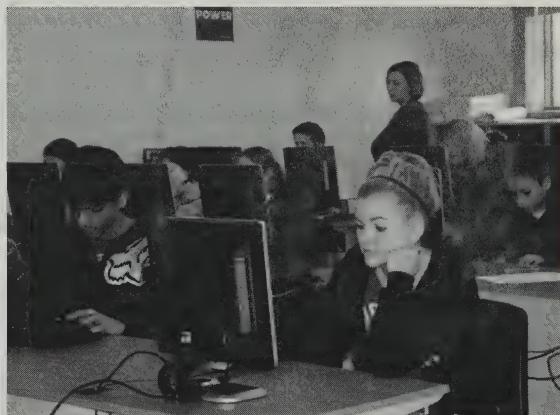

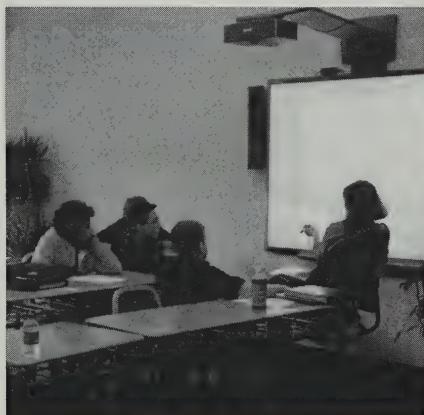

We have been working on making our websites as user friendly as possible in order for the students, parents and public to find the information they seek about the district or the schools. If you start at <http://hnhsd.org> you will find information that is related to the district level including school board and from there you can find links to the individual school websites where you will find information specific to each school. We also have a Twitter account that we use to announce information, <http://twitter.com/HNHSD>

We continue to be thankful to the citizens of Hinsdale as well as to the state and federal agencies that provide funding to us in order to provide Hinsdale students with a quality education.

Respectfully Submitted,

Deborah Child-Trabucco

Technology Coordinator

**Hinsdale School District
Curriculum Coordinator's Report
2011-2012**

-The Hinsdale School District strives to provide all students with the skills and knowledge needed to maximize their individual potential. In working towards this goal Hinsdale School District looks to continually improve instructional practices and implement programs which have the greatest impact on student learning.

The State of New Hampshire has a set of clearly defined Grade Level Expectations (GLE) and Grade Span Expectations (GSE) which focus the district curricula and support good instruction. Hinsdale School District has adopted a five year revision plan so that all curriculum areas remain up to date with state and national standards. In 2010-2011 the Guidance Curriculum for grades PreK-12 and the World Languages Curriculum for the middle/high school were revised. In 2011-2012 the Science and Social Studies Curricula for Pre-K -12 will be revised. Hinsdale School District Curriculum documents can be found on the District Website at www.hnhsd.org. Critical to the success of the District's curriculum and the delivery of instruction and services is the use of a variety of valid and reliable standardized assessments and measurements of student progress. In addition to classroom assessments based on daily curriculum Hinsdale School District uses the Northwest Evaluation Association Measures of Academic Progress (NWEA-MAP) and the New England Common Assessment Program (NECAP).

NWEA-MAP, given three times a year at the elementary and high school levels allows teachers to look at each individual child's base of knowledge and make instructional decisions as well as having detailed information on a child's learning level over time. NECAP is given in grades three through eight and grade eleven. It is designed to measure what our students understand, know and can accomplish in regard to the New Hampshire GLEs and GSEs. NECAP also meets our testing requirements under the federal No Child Left Behind legislation. For further information on NECAP in New Hampshire you can visit the New Hampshire Department of Education website at www.education.nh.gov.

Hinsdale School District has adopted several research based programs to ensure that students receive instruction that is aligned to district and state standards. Some of these programs include Scott Foresman *Reading Street*, Mc-Graw -Hill *Everyday Mathematics* and Prentice Hall Mathematics.

Teachers and Para-educators have opportunities for on-going training and professional development in areas directly related to student achievement and district and school goals. Professional development opportunities may be job embedded, presented on or off-site or be web based.

The Hinsdale School district is proud of its collaborative professional culture where teachers can work together in a community of learners.

Respectfully Submitted,

Susan Taft
Curriculum Coordinator

**Hinsdale School District
Special Education
2011-2012**

The formation of the new SAU#92 has proven to be both exciting and challenging. As the result of a coordinated effort by members of the previous SAU#38, the transition has gone smoothly with the transfer of files, data, records and equipment, the hiring of a new Director of Special Services and the redistribution of duties for existing personnel. Practices for improving achievement and learning for students with disabilities continue to be our mission. To that end, we were informed on October 13, 2011 that all findings of non-compliance from the Department of Education's 2009-2010 Focused Monitoring Review had been met.

The school year began with a total enrollment of 612 students. Students with disabilities represented approximately 21 % of that total (132 students). Within that number, 7 students were unable to have their needs met in district and were enrolled in out-of-district placements. The Life Skills program at the Middle/High School has grown and expanded since it began in 2008 allowing some students to return from out-of-district placements and making it unnecessary for students appropriate for the program to leave the district.

The district-wide implementation of a teaming approach (PLC's), frequent and continuous assessment through AIMSweb and the adoption of the statewide initiative (RTI) which promotes a variety of learning interventions have established an organizational approach for monitoring and screening special education referrals.

As we move forward in this school year and looking forward to the next, the Special Services Department has identified other priorities, namely that we will continue to:

- Provide a pre-school program with a homogenous mix of students with and without disabilities
- Improve transition for students from grade to grade and school to school
- Refine the philosophy/criteria/expectations for the secondary Life Skills program
- Review a continuum of special services pre-K through 12
- Improve home/school relationships

Respectfully submitted,

Patricia J Bassett
Director of Student Services

Hinsdale School District SAU 92

Hinsdale School District
Hinsdale After School Program (H.A.S.P.) formerly known as “ACCESS”
2011-2012

Throughout the 2010-2011 school year and into the 2011-2012 school year, HASP has continued to strive towards meeting the goal of offering a quality, extended learning & out-of-school program for the youth of Hinsdale. The Hinsdale After School Programs (Elementary and the Middle School) are both programs supported through the 21st Century Community Learning Center Grant. Formally known to many as ACCESS, the after school program became H.A.S.P. (Hinsdale After School Program) as of July 1st, 2011 with the beginning of Hinsdale's own School District (SAU 92). The SAU shares in HASP's commitment to meet the goal of offering a quality program to the students of Hinsdale through support and guidance for our programs at the Elementary School and Middle School. HASP thanks the SAU in its commitment to support the program.

Here at HASP, we strive to continue to maintain and improve the quality of our programs at the Elementary and Middle School levels. Many efforts have been put in place to accomplish this goal. With this in mind, we have accomplished the following:

Help Families

With continued feedback from families within the community and increased enrollment in the programs, HASP continues to offer programming before school from 7:00 am to 8:30am at the elementary school, as well as after school programming at the elementary school from 3:10pm to 6:00pm and at the middle school from 2:35pm to 5:30pm. Clubs/programs offer extended learning opportunities including, but not limited to, home work assistance during the days that school is in session. An added benefit of the program is that participants have the opportunity to receive a healthy, nutritious breakfast and afterschool snack daily. HASP was also able to provide programming on “early release days” for the students in the elementary school. Students who normally attend the program, as well as students who hadn’t previously participated were given the opportunity to attend the program from 12:30pm to 6:00pm on these days.

Regarding the Summer Campership Program, HASP was able to offer out-of –town summer camp opportunities to all Hinsdale children at greatly reduced rates for children and families ranging from science based activities and outdoor adventure activities to athletics. This is thanks to our many partners throughout New England who provide summer camp scholarships. HASP looks forward to offering similar summer camp scholarships in the upcoming summer.

HASP has also continued to partner with the Hinsdale Recreation Department to provide before & after camp programming as well as day camp support and activities over the course of the summer. HASP has worked with outside support from other programs to bring a variety of activities to the children who attend the summer camp. Children received free books to encourage reading through the CLIF Foundation and also had a visit from members of the Keene Swamp Bats and their team mascot RIBBY. HASP is also continuing to implement practices that will strengthen the town soccer & basketball programs.

HASP continues to work, through its scholarship process, to make programming affordable and available for all families who wish to attend the program. For more information on this process,

please contact Maryanne O'Malley, HASP Director, at the elementary school (603-336-5332 x 552).

Inspire Learning

In 2010-2011, HASP offered over 100 different clubs & activities serving almost 300 children and youth through programming such as: homework support, service learning projects, art programs, drama, music enrichment, recreational sports, literacy based programs, seasonal crafts and summer enrichment programming. Programs are designed to meet the highest level of excellence in an effort to strengthen the connection between enriching experiences & school day learning. HASP continues to use a process where program management works with administration in both schools to identify challenge areas in Math, Reading/Language Arts & Social Skills to insure that clubs & activities address these challenge areas on some level. These expectations are passed on down to the Club leaders to meet these needs through programs that they deliver. All programs are assessed through direct assessment, activity observations, reflective practice, quarterly student satisfaction surveys & quarterly staff surveys as a means to meet these objectives.

This year we employed staff and volunteers at each site which included school day staff and faculty, community members, Hinsdale High School students, Keene State College students, Greenfield Community College students, AmeriCorps and other members of the community who enthusiastically shared their interests, talents and hobbies with the children and youth of our community. Because of these and our numerous partners we were able to offer numerous activities that were coordinated with district goals & curriculum allowing students to increase their academic, social and vocational skills.

Students at both the middle and elementary schools were invited to participate in a service learning project this past year under the direction of Ms. Korena Calder, AmeriCorps VISTA. This project, "Empty Bowls" gave the students the opportunity to learn about world hunger and how this problem is not only a worldwide problem but exists here in their community. Students, under the direction of Ms. Calder, who holds a bachelors degree in Art focusing on pottery, learned how to create bowls made from clay. These bowls were then sold at a community dinner, sponsored by the PTA and HASP. Proceeds from this dinner were then donated to the Hinsdale Food Pantry. We are currently working on another service learning project that will benefit the Monadnock Humane Society.

Safety

Safety is our highest priority and we are proud of our strong sign-out & parent/guardian communication practices. Please contact me if you would like to learn more about these practices at 603-336-5332 x 552. In regards to programming and daily communication, students and parents continue to be surveyed regularly on participants' safety, needs and interests while the site coordinators and director maintain regular communication with the building level administration, faculty and staff to insure the highest level of communication & coordination. The director has worked with district staff & administration to establish a monitoring system that assures each site's policies are aligned with district policies & procedures.

Safety drills have been practiced, under the direction and support of District Administration, to insure that all staff and students know how to react in the event of an emergency. More than half of the staff is currently CPR/First Aid trained.

Partners & Friends

Many thanks to the Hinsdale Community Coalition, Hinsdale Recreation Department, PTA, PTSA, Brantwood Camp, Camp Spofford, Cheshire YMCA, UNH Co-Operative Extension, JCPenney, Keene State College, Monadnock Voices for Prevention, HEAL (Cheshire Medical Center), SAU 92 and the numerous other partners who have provided quality enrichment activities for our children and families.

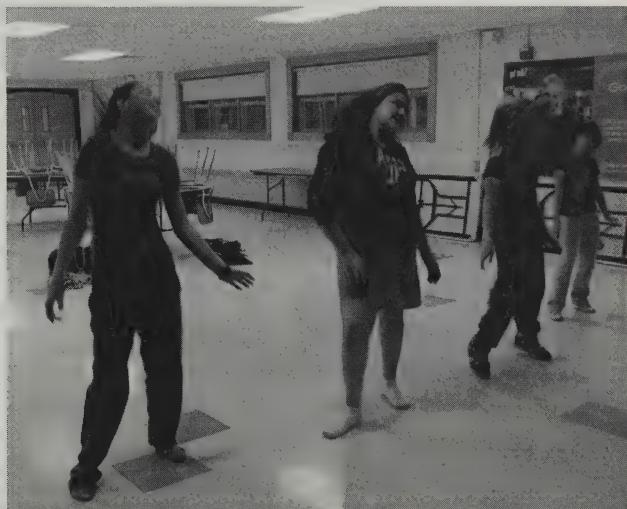

In our pursuit to strengthen the program, HASP has remained an active member of Hinsdale Community Coalition, Hinsdale Recreation Department, and Community Connections for Afterschool Networking (CCAN).

We are deeply appreciative and thankful for the support and leadership that has been provided by Dr. Crisafulli & the Hinsdale School District administration. We look forward to the coming year and the opportunities to serve the children and their families in this community. If you wish to visit one of our afterschool sites at either the elementary school or middle school, please feel free to call Maryanne O'Malley at 603-336-5332 x552 to arrange a visit.

Respectfully submitted,

Maryanne O'Malley
